

ART STUDIO SYLLABUS –

P35@ Beacon HS

Art Teacher- Mr. Di Lorenzo

This class is designed as a studio in which everyone, regardless of experience with art, can participate. The majority of works you create will be based on your specific interests, things that you research, and questions you have (inquiry and materials- based). There will also be some smaller, step by step instructional exercises that we will execute along the way in order to sharpen particular skills.

You will be responsible for completing works in at least 3 different types of media (materials), along with artist statements in writing, describing your work.

The 3 main projects are categorized as follows:

1. Drawing and Painting-. 2- Sculpture.

3- Mixed Media. * additional credit can be added for extra work!

Learning Objectives:

You will be expected to further your learning and usage of these basic principles in your work-
